For only

\$20

Saturday, November 10
8 a.m. – Noon

Ages 10 and older. Cash, check or credit card accepted.

No appointment necessary.

The CDC recommends annual flu vaccine for ages 6 months and older. Vaccination of children under five, adults 65 and older, pregnant women and people with health conditions, such as asthma, diabetes, heart and lung conditions, is especially important. Flu vaccine can reduce the risk of illness from flu, school and work absences and hospitalization from complications.
